Insta: @sonjacabalt

Facebook: Sonja Cabalt

Sonja Cabalt is sinds 2015 werkzaam als autonoom kunstenaar. Ze onderzoekt in haar werk het delicate evenwicht tussen mens en natuur en vindt o.a. inspiratie in de microscopische wereld en de cyclus van groei, bloei en verval. Ze staat bekend om haar tactiele benadering, experimenteel materiaalgebruik en organische vormen.

## Opleidingen
